

Developer conference

July 20, 2026

8:00 AM – 9:00 AM Registration and Coffee

Main Lobby

Attendees check in at the front desk and grab a hot beverage before the day begins. Networking starts in the main lobby.

9:00 AM – 10:00 AM Opening Keynote

Grand Hall

The conference organizers welcome everyone and introduce the latest industry trends. A guest speaker discusses the future of software engineering.

10:15 AM – 11:45 AM Deep Dive Workshop

Workshop Room A

Hands-on session focused on cloud-native architecture patterns. Participants will build a microservice from scratch.

12:00 PM – 1:00 PM Lunch Catering

Dining Hall

A buffet-style lunch featuring diverse culinary options. Attendees can mingle in the dining area.

1:15 PM – 2:45 PM Product Demos

Exhibition Hall

Showcasing the latest developer tools and platform updates. Vendors provide live demonstrations of their software solutions.

3:00 PM – 5:00 PM Coding Challenge

Innovation Lab

A competitive hackathon style event where teams solve complex algorithmic problems. Prizes will be awarded to the top three teams.

5:15 PM – 6:00 PM Award Ceremony

Grand Hall

Recognition of the coding challenge winners and community contributors. Certificates and prizes are handed out on stage.

6:15 PM – 7:15 PM Evening Mixer

Roof Terrace

Casual social gathering with drinks and appetizers. This is a great opportunity for attendees to share experiences from the day.

7:30 PM – 9:30 PM Conference Party

Grand Ballroom

A celebratory party featuring live music and entertainment. Food and beverages will be served throughout the evening.
