

Educational tour

Date: July 23, 2026

Timeline

05:30 – 06:30 Airport Check-in and Security

Students assemble at the main departures hall to complete baggage check and pass through security screening together. Flight tickets and identification documents will be checked prior to entry.

Location: Terminal 1 Departure Gate

07:00 – 08:30 Outbound Flight to Destination

Flight departs for the destination city for the educational field tour. Airline staff will provide an in-flight safety overview and light morning refreshments.

Location: Flight AI-402 (In-Transit)

09:00 – 09:45 Charter Bus Transfer

The group boards a private charter coach to travel directly from the airport to the first educational site. Tour leaders review safety guidelines and the schedule for the day.

Location: Airport Arrivals Shuttle Station

10:00 – 12:00 National History Museum Tour

A guided educational tour focusing on regional history artifacts and cultural heritage. Students work in assigned pairs to complete observation worksheets during the exhibit tour.

Location: National History Museum Main Gallery

12:15 – 13:15 Group Lunch Break

A structured lunch break provided for all students and faculty chaperones. Special dietary preferences are accommodated at designated service tables.

Location: Museum Courtyard Dining Area

13:30 – 15:15 Science Innovation Lab Workshop

Students participate in a hands-on practical session exploring renewable energy technology and urban ecology. Lab facilitators guide groups through small interactive experiments.

Location: City Science Center Lab 3

15:30 – 16:30 Historic District Walking Study

An outdoor field study examining local architectural styles, historical monuments, and urban development. Students record observations in their project field logbooks.

Location: Old Town Heritage Square

16:45 – 17:45 Group Reflection Session

Faculty lead a collaborative debrief where students discuss key learning outcomes and share personal insights from the site visits. Field logbooks are collected at the end of the session.

Location: Heritage Square Conference Room

18:00 – 18:45 Return Bus Shuttle

The group reboards the charter coach to head back to the airport terminal for the evening flight home. Group leaders conduct a full attendance roll call before departing.

Location: Heritage Square Bus Pickup

20:00 – 21:30 Return Flight Home

Boarding and departure for the flight returning to the home airport terminal. Students can rest or review notes taken during the day's educational visits.

Location: Flight AI-409 (In-Transit)

21:45 – 22:15 Final Wrap-up and Dismissal

Baggage is collected and student pickup is coordinated with parents and guardians. Group leaders perform a final headcount before officially concluding the educational tour.

Location: Home Airport Baggage Claim
