

# Household chore schedule

**Date:** July 23, 2026

## Timeline

### **07:00 – 07:15 Morning Bed Making and Bedroom Tidy**

Start the day by making all beds, opening window curtains, and clearing nightstand clutter. This daily morning routine keeps personal sleeping areas organized and calm.

*Location: Master Bedroom*

### **07:30 – 07:50 Kitchen Morning Reset and Dishwasher Load**

Unload clean dishes from the night before, clear breakfast items from the counters, and load dirty dishes into the dishwasher. Wipe down main food prep surfaces.

*Location: Kitchen*

### **08:30 – 08:50 Bathroom Sanitation and Surface Wipe**

Wipe down sink basins, faucets, and mirror surfaces across all bathrooms. Replenish hand towels and restock toilet paper as needed.

*Location: Main Bathroom*

### **09:15 – 09:45 Laundry Load Sorting and Washing**

Sort dirty clothes into darks and lights before starting the main washing cycle. Fold warm clothes from the dryer and distribute clean laundry to closets.

*Location: Laundry Room*

### **10:30 – 10:45 Mid-Morning Coffee and Task Check**

Take a short rest break to enjoy coffee and review the weekly chore checklist. Confirm that all high-priority morning responsibilities have been completed.

*Location: Kitchen Island*

### **11:00 – 11:30 Living Room Dusting and Electronics Care**

Dust media stands, shelves, coffee tables, and decorative items with a microfiber cloth. Straighten throw blankets and fluff sofa cushions.

*Location: Living Room*

### **13:30 – 14:15 Hard Floor Vacuuming and Mopping**

Vacuum high-traffic rug areas and sweep main floor hallways thoroughly. Mop hardwood and tile floor surfaces to remove scuffs and dirt.

*Location: Downstairs Hallway*

### **15:00 – 15:20 Entryway and Mudroom Organization**

Put away loose shoes, hang up stray coats, and organize incoming mail on the console table. Sweep away dirt brought in near the front entrance.

*Location: Entryway*

**17:30 – 18:00 Kitchen Meal Prep and Trash Disposal**

Prep ingredients needed for dinner while clearing organic waste into compost bins. Empty full trash cans and take recycling bins out to the garage.

*Location: Kitchen*

**19:00 – 19:30 Post-Dinner Kitchen Deep Scrub**

Hand-wash large cookware, load remaining dinner plates into the dishwasher, and run the evening cycle. Sanitize countertops and wipe down the stovetop.

*Location: Kitchen*

**21:00 – 21:15 Nightly House Sweep and Lockup**

Perform a quick walkthrough of the home to collect rogue items and ensure exterior doors are locked. Turn off downstairs lights before retiring for the night.

*Location: Entire House*
