

Medical symposium timeline

Date: July 23, 2026

Timeline

08:00 – 09:00 Registration & Morning Refreshments

Delegates collect their badges and welcome packs while enjoying fresh coffee and light pastries.

Location: Grand Foyer, Level 1

09:00 – 10:00 Opening Keynote: Future of Medical AI

Leading research scientists present an overview of machine learning developments in diagnostic medicine.

Location: Auditorium A

10:15 – 11:30 Lecture: Non-Invasive Cardiology Advances

An in-depth lecture highlighting updated protocols for non-invasive surgical intervention.

Location: Auditorium A

11:30 – 12:45 Networking Lunch & Exhibition

Attendees enjoy a hot lunch buffet while connecting with industry representatives and peers.

Location: Exhibition Hall B

13:00 – 14:15 Panel Discussion: Ethics in AI Patient Care

A multidisciplinary panel explores regulatory frameworks and patient privacy concerns.

Location: Auditorium B

14:30 – 16:00 CPD Workshop: Advanced Diagnostic Imaging

An interactive, accredited session offering practical guidance on modern imaging techniques.

Location: Seminar Room 102

16:30 – 18:00 Welcome Reception & Cocktails

An informal evening mixer with drinks and appetizers to foster collaborative conversations.

Location: Rooftop Terrace

08:30 – 09:00 Day 2 Arrival & Coffee

Participants gather for morning coffee ahead of the second day of technical sessions.

Location: Grand Foyer, Level 1

09:00 – 10:30 Panel Discussion: Breakthroughs in Precision Oncology

Clinical researchers share insight into trial outcomes for targeted cancer therapies.

Location: Auditorium A

10:45 – 12:00 Lecture: Genomic Medicine in Primary Care

A comprehensive lecture exploring practical methods to integrate genetics into routine patient visits.

Location: Auditorium A

12:00 – 13:30 Buffet Lunch & Poster Presentations

Delegates review peer-reviewed scientific posters while enjoying a catered lunch buffet.

Location: Exhibition Hall B

13:30 – 15:00 CPD Session: Emergency Critical Protocols

A hands-on CPD workshop reviewing standard operating procedures during critical care emergencies.

Location: Seminar Room 104

15:15 – 16:15 Closing Ceremony & Excellence Awards

Concluding remarks from the symposium chair followed by awards for outstanding poster presentations.

Location: Auditorium A
