

Photography session plan

Date: July 22, 2026

Timeline

09:00 – 09:30 Photography Team Arrival & Location Scouting

The photography crew arrives on site to check ambient lighting, setup initial equipment, and walk through key locations for the day.

Location: Main Entrance & Grounds

09:30 – 10:15 Detail & Solo Preparation Shots

Capture close-up detail photographs of accessories, outfits, rings, and candid solo prep moments in natural morning light.

Location: Bridal Suite

10:15 – 10:45 First Look Shoot

Document the intimate first look moment between the couple. Captures genuine emotional reactions in a private, scenic setting.

Location: Botanical Garden Walkway

10:45 – 11:45 Romantic Couple Session

A dedicated hour for posing the couple around lush greenery and architectural features. Focuses on varied framing and gentle poses.

Location: Rose Garden Conservatory

11:45 – 12:30 Immediate Family Group Portraits

Organized group photos with immediate family members following a pre-arranged shot list to ensure efficiency.

Location: Grand Lawn Courtyard

12:30 – 13:30 Lunch Break & Lens Gear Refresh

The photography team and subjects take a break for lunch, battery charging, and memory card backups.

Location: Staff Dining Lounge

13:30 – 14:15 Wedding Party & Extended Group Photos

Full wedding party and friends assemble for fun, structured group shots utilizing the dramatic indoor steps.

Location: Marble Staircase

14:15 – 15:15 Architectural & High-Fashion Creative Shoot

Experiment with dynamic off-camera flash techniques, strong shadows, and wide-angle compositional shots.

Location: Historic Atrium

15:15 – 16:00 Action & Motion Photography

Capture dynamic movement, including walking shots, dress flips, and candid outdoor interactions around the water features.

Location: Fountain Plaza

18:00 – 18:45 Golden Hour Sunset Couple Shoot

Take advantage of warm, soft sunlight to shoot ethereal backlight portraits of the couple overlooking the valley.

Location: Sunset Overlook Hill

19:00 – 19:30 Nighttime Creative FX & Sparkler Shots

End the photo sessions with long-exposure night shots, sparkler exits, and handheld light-painting effects.

Location: Outdoor Terrace
