

Practical exam day

Date: July 23, 2026

Timeline

07:30 – 08:00 Examiner Arrival & Briefing

Examiners assemble in the main administrative room for coffee and a mandatory briefing on exam protocols, safety regulations, and grading rubrics.

Location: Examiner Lounge, Room 101

08:00 – 08:45 Station Setup and Equipment Verification

Technical staff and invigilators calibrate machinery, distribute physical examination sheets, and prepare individual candidate testing stations.

Location: Practical Assessment Hall B

08:45 – 09:15 Cohort A Candidate Registration

First morning candidates verify identity documents, submit personal belongings to secure storage, and receive station assignment badges.

Location: Main Reception & Holding Area

09:15 – 11:15 Morning Exam Session: Cohort A

Candidates complete timed rotations across six practical skill stations under direct observation of assigned evaluators.

Location: Practical Assessment Hall B

11:15 – 11:45 Cohort A Marking and Station Maintenance

Examiners finalize scorecards for morning candidates while technical staff clean equipment and restock station consumables.

Location: Practical Assessment Hall B

11:45 – 12:30 Examiner Lunch and Refreshment Break

Evaluators and supporting staff break for lunch in the dining area to recharge before the afternoon evaluation sessions commence.

Location: Staff Dining Hall

12:30 – 13:00 Cohort B Candidate Registration

Afternoon candidates complete check-in procedures and gather in the briefing auditorium for pre-exam orientation instructions.

Location: Auditorium A

13:00 – 15:00 Afternoon Exam Session: Cohort B

Second cohort rotates through the practical testing stations to demonstrate required technical competencies.

Location: Practical Assessment Hall B

15:00 – 15:30 Station Teardown and Inventory Control

Technicians secure exam tools, pack up sensitive diagnostic gear, and return testing materials to locked storage rooms.

Location: Practical Assessment Hall B

15:30 – 16:30 Score Moderation and Calibration Meeting

Examiners review borderline scorecards, discuss discrepancies, and apply standard moderation procedures across both cohorts.

Location: Conference Room 202

16:30 – 17:15 Final Mark Entry and Exam Sign-Off

Chief invigilators input verified scores into the official database and sign off on final exam completion logs.

Location: Examiner Lounge, Room 101
