

Research symposium schedule

July 20, 2026

8:00 AM – 9:00 AM Registration and Coffee

Main Lobby

Attendees check in at the main lobby and enjoy morning refreshments. Networking opportunities are available before the sessions begin.

9:00 AM – 10:00 AM Opening Keynote Lecture

Grand Auditorium

Distinguished professor presents the latest advancements in artificial intelligence research. The lecture takes place in the primary auditorium.

10:15 AM – 11:30 AM Data Science Track Session

Room 201

Researchers present papers focused on predictive modeling and statistical analysis. This session includes three short presentations followed by Q&A.

11:30 AM – 12:30 PM Poster Session A

Exhibition Hall

Interactive viewing of research posters from graduate students. Presenters stand by their boards to explain their methodologies.

12:30 PM – 1:30 PM Symposium Lunch

Dining Hall

A catered buffet lunch is provided for all symposium attendees. Participants are encouraged to discuss research topics in the dining area.

1:45 PM – 3:00 PM Cybersecurity Track Session

Room 305

A deep dive into current challenges in network security and encryption protocols. Experts discuss emerging threats and defensive strategies.

3:15 PM – 4:30 PM Robotics Engineering Lecture

Grand Auditorium

An in-depth presentation on autonomous systems and hardware integration. Demonstration of a prototype robot will follow the lecture.

4:30 PM – 5:30 PM Poster Session B

Exhibition Hall

Final viewing of engineering and robotics posters. Attendees can vote for the best project in the poster competition.

5:30 PM – 6:00 PM Award Ceremony

Grand Auditorium

Recognition of the best research paper and poster presentation. Certificates are distributed to the winners on

stage.

6:00 PM – 7:30 PM Closing Reception

Outdoor Terrace

An evening gathering with light refreshments and drinks to celebrate the conclusion of the symposium. This is an informal networking event.
