

Workshop schedule

Date: July 23, 2026

Timeline

08:30 – 09:00 Registration and Welcome Coffee

Participants check in, pick up workshop materials, and enjoy complimentary coffee and tea. Use this time to meet fellow attendees before the sessions begin.

Location: Main Foyer

09:00 – 09:30 Introduction and Workshop Goals

The workshop leads introduce the core objectives, schedule, and expected outcomes for the day. Participants review the housekeeping rules and set individual learning targets.

Location: Main Auditorium

09:30 – 10:30 Learning Module 1: Core Foundations

An interactive lecture covering fundamental concepts, theoretical models, and key frameworks essential for the day. Participants follow along with real-world examples and live demonstrations.

Location: Main Auditorium

10:30 – 10:45 Morning Refreshment Break

A quick break to grab light snacks and stretch your legs before the next deep dive session.

Location: Dining Hall

10:45 – 11:45 Learning Module 2: Tools and Methodologies

Detailed walkthrough of modern industry tools, workflows, and practical techniques. Attendees learn best practices through guided instruction and software demos.

Location: Main Auditorium

11:45 – 12:30 Morning Breakout Session: Initial Team Exercise

Attendees split into small groups to analyze a sample scenario using the concepts learned in Modules 1 and 2. Group facilitators guide discussions and answer specific questions.

Location: Breakout Rooms A-D

12:30 – 13:30 Networking Lunch

Enjoy a catered lunch while connecting with peers, speakers, and facilitators in a relaxed environment.

Location: Dining Hall

13:30 – 14:30 Learning Module 3: Advanced Implementation

An exploration of complex edge cases, scaling strategies, and troubleshooting techniques. Speakers share case studies from successful real-world implementations.

Location: Main Auditorium

14:30 – 15:30 Afternoon Breakout Session: Problem-Solving Challenge

Groups collaborate on a practical design challenge to solve a complex problem from start to finish.
Teams prepare a short presentation summarizing their approach and conclusions.

Location: Breakout Rooms A-D

15:30 – 15:45 Afternoon Coffee Break

Refuel with afternoon coffee, tea, and baked goods while finalizing team presentations.

Location: Main Foyer

15:45 – 16:30 Group Presentations and Peer Review

Selected breakout groups present their solutions to the wider room for constructive feedback.
Instructors highlight unique strategies and notable takeaways from each presentation.

Location: Main Auditorium

16:30 – 17:00 Workshop Recap and Closing Remarks

Facilitators summarize the key learnings of the day and answer final questions from participants.
Closing resource packages and follow-up survey details are shared before wrap-up.

Location: Main Auditorium
